Now about the gifts of the Spirit, brothers and sisters, I do not want you to be uninformed. There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work. Now to each one the manifestation of the Spirit is given for the common good. To one there is given through the Spirit a message of wisdom, to another a message of knowledge by means of the same Spirit, to another faith by the same Spirit, to another gifts of

healing by that one Spirit, to another miraculous powers, to another prophecy, to another distinguishing between spirits, to another speaking in different kinds of tongues, and to still another the interpretation of tongues. All these are the work of one and the same Spirit, and he distributes them to each one, just as he determines. Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ. Even so the body is not made up of one part but of many.

1 Corinthians 12

SUMMERTIME

...it's more than a state of mind

OUR TOP 'FLIX

Rainy day? Busy friends?
Not a problem. We've
got movies to watch!

"Riverdale! I worked though, so I couldn't binge it." Mya Smith, 12

"Riverdale. It's a must. Absolutely." Martin Martinez, 12

"Kid movies, Moana, The Secret Life of Pets." Bernard Coulee, 9

"Stephen King's 'The Mist.' It's really good!" Kayla York, 9

"Grey's Anatomy. It was interesting how their lives affect their work." Vanessa Bautista, 10

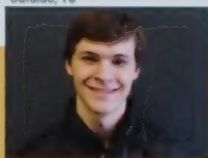

"I discovered Black Mirror. There's no other show like it." Simarjeet Singh, 10

"I had to go hit up some Anime, like '7 Deadly Sins.'" Zachary Cataldo, 10

"The Fosters. There was a lot of stuff going on. You would never get bored!" Taylor Schindler, 9

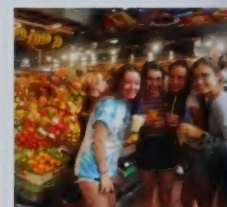

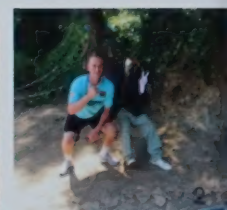

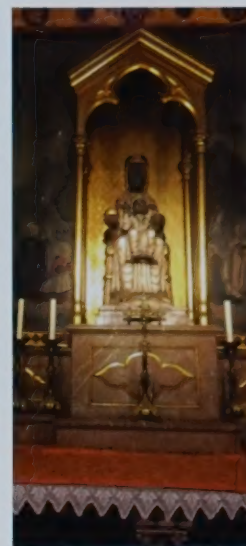

"Turn: Washington's Spies. It was about the Revolutionary War and spying in the colonies." Chase Eggeman, 11.

"I watched 'Fuller House.' It brought back memories of 'Full House.'" Takara Holmes, 10

1. Enjoying the exotic taste of traditional Spanish cuisine, the whole traveling group experienced many flavors completely new to them. Marisa Plagens, 12, remembered specifically trying paella. "It was alright. It had lots of seafood in it." 2. Ever the fun-loving guy, Hunter Renner squats alongside a sculpture by a local artist in a park. 3. Fresh, frozen smoothies in hand, Sophia Griner, Lindsey Mathew, Elena Krizman, and graduate, Sarah Burns check out the local goods at a large market place. 4. The whole traveling group takes a photo under a grand staircase in a large community park. 5. Looking through an ornate window opening, Mahala K., Elena Krizman, and Sarah Majewski take in the amazing sights around them. Elena and Mahala cannot stop raving about the trip. Mahala even used it as the subject of a college application essay. "Me encanta Espana!" she shouts, "I saved up and paid for the trip myself." 6. Miss Kaser, Gabriella Dennis, Sarah Burns, and Mrs. Martinez take in the beauty of the rock formations. "I'd love to go back. We had so much fun," recalls Mrs. Martinez. "The worst thing that happened was that a bird pooped on Miss Kaser's back, and she had buy a new shirt!" 7. Ancient ruins in Toledo frame Hunter Renner and Matteus Webb.

WHEN IN SPAIN...

Traveling abroad is an amazing adventure and a profound learning experience for students and teachers alike.

MARIAN HONORS

summer work KNIGHTS getting done

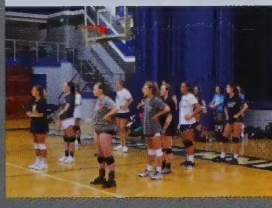

Knights volunteer at the Mishawaka Pilots Club breakfast.

Coach Davidson takes on full responsibility as head coach of the football team this season.

The Boys Basketball team hosts Kindergarten through 4th graders at summer camp.

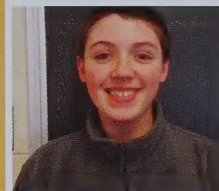

Hoping to defend their winning status this season, the volleyball team takes instruction during summer practices.

5

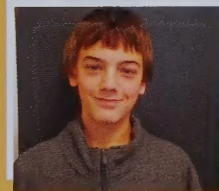

How did you spend your summer?

"I helped my mom with her lawn care service. I also played Nintendo, mostly Mario Kart and Mario Party."
Zachary Mattoon, 9

"I played a lot of games, like 1st person shooter games. I need to keep my hands busy."
Douglas Jones, 10

"I worked in my dad's shop and fixed lawn mowers and motors and stuff all summer."
Taylor Fodrocy, 9

AUTUMN

"At Home Coming, I was like, it hurts to smile so much, but I'm always smiling!"
Olivia Heying,
12

"At first, I was afraid of falling on the float, and then it was so windy, I thought my crown would fly away. But as the crowd clapped, I felt loved by the students and the school for electing me!"
Armel Iradukunda,
12

I felt a little like a lobster in a tank at Martin's because everyone is looking at you, but I think the best part was looking out in the crowd and being able to see the faces of friends and family not just cheering me on but the Marian family.

Back to School

Right
Showing their Marian Spirit, the Cheerleaders welcome the Freshmen during orientation.

Above

Smiling as she's about to receive a hug from Cariondrea Petty, Mrs. Dance is ready for the new school year. Located in her own little cubicle across from the office, Mrs. Dance is a friend to all students.

Right

Giving his speech during the Freshman Retreat, Mr. Dainty introduces some speakers to talk to the students. When asked, many older students stated that he is a good role model, positive leader, and none of them could stress enough on how much he loves Marian.

Getting to know Sisters Mary Peter & Mary Amata

You wouldn't think that living a convent would be a really exciting life, but Sisters Mary Peter and Mary Amata would disagree. They consider every day a new and exciting adventure and enjoy not knowing what's in store for the day. Whether it be visiting schools or playing volleyball, everyday is a gift from God. During the fourth quarter, the Sisters and some Seminarians visit the school to talk to students about vocations.

Waking Hours

"The early bird catches the worm," or so they say. Many people wake up late to go to school, dragging their feet along the way. Some people though prefer to wake up earlier, whether it be for coffee or that they are just simply a morning person.

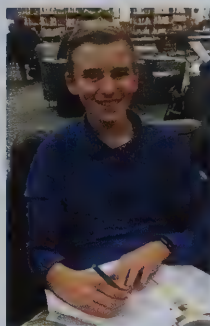

Student Expectations

With every year, there are new expectations to be had.

Above
Ready to cheer during Orientation, Junior Graham Harding helps to welcome the new students. This was the first year that he has been in cheer and said that he only joined because of football. His favorite class is Physics with Mr. Schuster whom he commented to be a fun and great teacher.

Below
Walking through the line of students, Mrs. Hamann is introduced. She teaches Econ, AP Government, and U.S. History. One student commented on how she is very passionate about what she teaches, as well as how she cares and takes an active part in ensuring her student's success.

Grayden Artusi, 9
Studying for his first semester finals, Grayden Artusi said that he wasn't all that stressed about school other than exams. He also said that high school was what he expected, not that difficult.

Emily Tinervia, 10
Deciding to "go with the flow" instead of stressing over school, Emily Tinervia takes all honors classes. She is also included in multiple clubs including Art Club and Science Olympiad, with her favorite teachers being Mr. A and Mrs. Gunty.

Cadence Szajko, 12
Involved in Knights for Life, Cadence Szajko said that she expected this to be one of the best years in high school she has had and is yet to be wrong. Cadence applied for IUSB, interested in radiology and really enjoys seeing new faces around the school.

Welcome to Marian

New Teachers

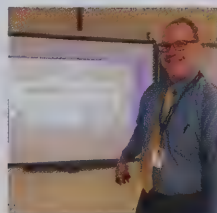

Mr. Sobieralski

Reading one of his favorite books, *Things Fall Apart* by Chinua Achebe, Mr. Sobieralski sits in his classroom. After coaching basketball for a number of years, Mr. Sobieralski is now an English teacher. He graduated from Marian in the class of 2006 and went to college at the Indiana University of South Bend.

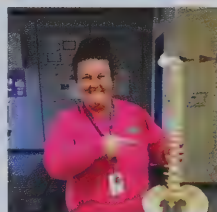

Dr. Metzger

Mainly an English teacher for Juniors and Seniors, Dr. Metzger moved to Indiana to study at Notre Dame for graduate school. Originally from LA, his favorite class in high school was History, but he really enjoys teaching English.

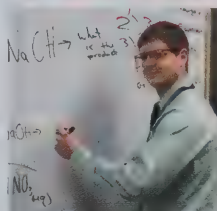

Mrs. Bailey

Showing off her replica of a human spine, Mrs. Bailey teaches Girls P.E. and Health. She used to teach at St. Thomas Middle School, but preferring to teach high schoolers, she came to Marian when she saw the opening. All her students love her and enjoy her class.

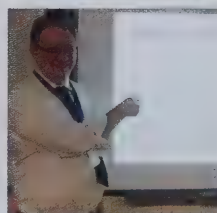

Mr. Schuster

After going to Purdue University for Physics, one of his favorite classes in high school, Mr. Schuster now teaches Chemistry and Physics, as well as Integrated Chemistry and Physics.

Dr. Beiting

Being used to teaching at colleges, it took a little while for Dr. Beiting to get used to the system at Marian, but he did, and loves to teach Theology. He is a secular member of Franciscan Order and used to teach at Holy Cross College.

5:45-6:30 AM depending on how many alarms I sleep through. It's a long drive in especially during winter, and I enjoy watching the sun rise while I drink my morning coffee.

I wake up at 6:00 because I have to get ready and catch the bus so I can go to school. Also, I'm an early person.

Senior Feature

Armél Iradukunda

Standing next to the Golden Gate Bridge, Armél Iradukunda, 12, visits the city of San Francisco during Christmas Break. After living in Rwanda his whole life, he did get used to the snow and has been in the United

States for the past 3 years. During the Bishop's Mass on the feast day of Our Lady of Lourdes, he was confirmed and welcomed into the Catholic Church. He enjoys the United States and commented that his favorite teacher is Sister Marie.

Happy Grandparents

You rock, Grams!!

SERVICE

Working together is key
School. Helping others
the community.

Congrats Mrs.Cook!!!

Your are a survivor!!!!

Mrs. Cook, one of our school counselors, was diagnosed with breast cancer 5 years ago and when the doctors told her that the cancer wasn't in effect now, she felt so relieved. She says, "It was a heavy brick lifted off of my shoulders, I was so relieved." She also says, "Marian has made me feel way better these past years, they have made me feel great and have been a great impact on me." Here you see her children and her husband at Marian High School passing out cake to the students for a donation of a dollar. The money goes towards Breast Cancer Research.

FOOD

What is your favorite thing to eat?

Meghan McCormick, 9

Wanting to get out of class to be interviewed, Meghan said, "Um, ohh, I really like spaghetti because I like the different noodle types. They're really cool looking to me... IT'S JUST A VIBE!"

1. Abigail Portolese (9) attends her old school, Queen of Peace, being the teacher in action. 2. Terrace Lane (9) and other students and staff go to Camp Millhouse. They raked up leaves and put tables away. She says that her experience was good, and she would go again for sure. 3. Anne Cataldo (9), Grace Wiest (11), and their group went to an elderly home and helped with gardening outside and inside like helping set up a meal for them to eat. Anne said, "It was a great experience to help people and meet new people." 4. EmmaLee Adkins (9) attends her old school, Queen of Peace, and helps third graders in the classroom with math. 5. This large group went to Unity Gardens and had a lot of fun. They planted flowers, mulched garden beds, and even HELD CHICKENS! This organization helps feed the hungry and provides a place for diverse people to pick and plant plants. 6. Mrs. Pingel and the choir went to places like Hubbard Hill and St. Paul's to sing to the elderly and other people with their beautiful voices. They actually had fun and a great time singing. 7. Mrs. Kloska and her group went to Our Lady of the Road. They were all split up into groups, and they helped clean up and organize the kitchen. Others helped organize the utility closet. After they left, they felt gratitude for what God has blessed them with.

What's one thing that you look forward to at Marian or one thing you love about the school?

Work hard, Be kind, and amazing things will happen!
-Conan O'Brien

Arianna Dowdy,
Grade 10

Taking her out of class while she is laughing hysterically she says, "I look forward to seeing my friends and making them happy."

Mitchell Nagy,
Grade 11

"The reason I like Marian is because of the football team, and my teammates are my family"

Isabel Lozano,
Grade 12

She was way too excited to be interviewed. She thought she was a celebrity saying, "I like that there is a lot of support with education or emotional problems... The staff are just so nice and sweet."

What is your favorite memory? What happened...Why...

Joseph Baughman, 9
"Me and my friend were in music class in 8th grade and my friend was making himself laugh too hard and got too excited and he started to pee himself and the fire alarm went off and when we went outside everyone saw that his shorts and shirt were stained."

Sujei Ortiz, 9
Being very nervous and unable to think of her favorite memory, Sujei Ortiz finally comes up with a memory that she enjoyed very much. She says, "My favorite memory was going to Washington DC because I got to meet new people and see things that were all throughout history and spend time with my friends, it was so fun!"

Nomsa Andedo, 10
Taking him out of his lunch time and asking him what is favorite memory was, he could not even think of one good memory. Finally he said, "just having fun in the summer because I turned 15." He had fun with his friends because he got to hang out with them."

Mercedes Cuevas, 10
"My favorite memory was when Greg and I were in foods class and we were pushing each other and he ended up pushing me really hard and I flew all way way across the whole room. It was so funny!"

DAY

for us at Marian High is a good way to gather

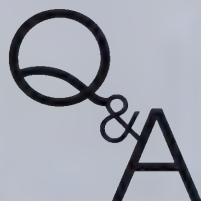

Ellie Snyder, 9

"My favorite food is the sausage, egg, and cheese McGriddle because it's just so amazing. I mean like when you bite into it, that combo of sweet and salty is just so amazing! Like you can't get anything better than that."

Mrs. Tiller, Counselor

Mrs. Tiller needed time to think because she couldn't figure out what her favorite food. After a while, she decided that her favorite food was fudge brownies because they are "the most divine food in the whole entire world."

Ainsley Butler, 9

How was your Service Day experience, and what did you do?

Leaving her old school, Stanley Clark, going to high school and revisiting for service day was exciting for Ainsley Butler. She said, "Revisiting my old school was a great experience while helping out with the younger kids because they get happy when they see older kids."

Mikayla Hemingway, 10

While being jittery and very excited to be interviewed, Mikayla recalls her service day experience. She tells us, "I went to sing with the choir at Hubbard Hill. Seeing the elderly faces when they seen us singing. It was just heart warming."

Elaina Akre, 9

A very cute service day trip is what Elaina Akre took on October 18th. She says, "It was amazing. I helped out the first and second graders and helped the teachers keep the class in steady. The little kids were so cute and fun!"

HOMECOMING KNIGHTS

Give me the crown, and I won't let you down!

On Friday, September 7, 2018, students, families, and fans gather to celebrate Homecoming. Members of the court were all smiles as they were escorted around the track in limousines and floats. The King, Arnel Iradukunda, and Queen, Evelyn Cressy, rode in heavenly style on a cloud-covered float.

Members of the court left tonight are freshmen Andrew Machado and Mia Gardoni, seniors Jacob Bering and Olivia Mering, Joshua Bussan and Cameron Bell, Anna LeBlond and Evelyn Cressy, Upper School and Catherine Catoda, sophomores John Marino and Cassie Cane, and juniors Graham Haring and Aysia Himschoot.

LUCKY #7

Marian wins the Hunger Bowl against St. Joe again!

Students are tackling Hunger on Wednesday, September 26, 2018. The Hunger Bowl is a competition against our rival Saint Joe. Students collect food donations for the Saint Vincent De Paul Society. This year is the 7th year in a row we have won against our neighbor, Saint Joseph's High School. This event even earns local TV news coverage!

How do you stay motivated when you don't want to run?

"I just run and try not to get lost but I sometimes I try to beat my personal time and I guess that's what motivates me."

Adrian Beltran, 9

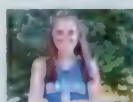

"You just have to push through it and tell yourself you can do it."

Emily Winters, 10

"I make it a personal philosophy to try and perform to the best of the abilities in everything I do."

John Thomason, 11

"Running is a chance to be myself and get away from the stresses of everyday life. I use the motivation and excitement from my team members to run for them. It also gives me the freedom and energy that comes from running. And it overpowers my doubts!"

Karen Hunckler, 12

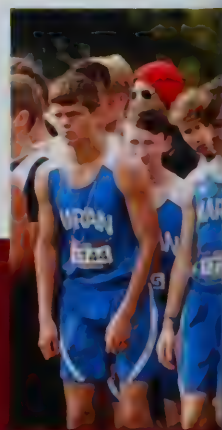

"The one thing I can count on during a hard workout or a long run is the support of my teammates running next to me, and the feeling that I'm making myself better for the team always motivates me!"

Mary Rice, 12

Cross Country

On Tuesday, September 12, 2018, The Lady Knights and The Knights travel to Fairfield for the Fairfield Super Duals. The Knights and the Lady Knights get ready to compete against three other schools. As they finish the race, Knights placed 4th and the Lady Knights placed in 2nd.

September SENIORS of the month

Faculty honors Irie Slabach
and Gracie Molnar for their uplifting
and fun-loving presence at our school.

"Receiving that award made me feel like I was doing something right, like I was making a difference at Marian. I have always tried my best to be kind to others, to include everyone, and to try and get to know people that I've never really talked to. The senior of the month award has inspired me to keep on being the best version of myself and to always be kind to others," says Gracie Molnar.

Mrs. Pingel had the honor of presenting Irie Slabach. She focused on his humor in choir class and contagious positive attitude. She shared many of his goofy quirks flinging the whole BCAC into bouts of joyful laughter.

THOUGHTS on the SEASON

Sarah Majewski,
12

"This season has been really fun. I'm glad I got to be a part of the team for all 4 years of high school. I

got injured this season but was still able to run in a few meets and be with the team."

Team Work
makes a
Dream Work!

Mary Rice,
12th Grade

"I loved this season. Everyone on the team excelled, and we challenged

each other to progress. I'm a senior, so it was bittersweet running my last races and cheering for my teammates for the last time."

Getting the walk done

Marian students get up at 8:00 in the morning to walk to support breast cancer research. Without hesitation, our students get up just to help others that they may not know. But we care for them. We take it seriously because if it was one of our mothers or sisters, we would want others' support, too. It lets us know we are not alone.

GO TIME!

The college search is on! What are your plans?

Kaleb Perri
(11)

I have not given college much thought yet, but if I had to decide I would like to go somewhere close to home.

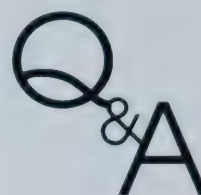

Miguel Ortiz
(11)

After high school I wish to play college football at a big in state school. I am not sure where I would like to go, but I do want to study business and engineering

Mitzy Calleja-Castillo
(11)

I don't really know where I want to go yet, but I would like to go to a small school that's close to home. My interested major is psychology

Do you have a strange obsession?

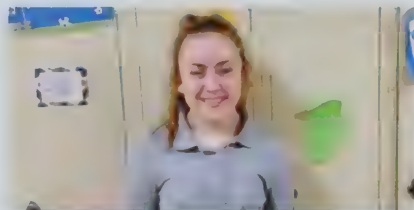

Gabriella Gallegos
(12)

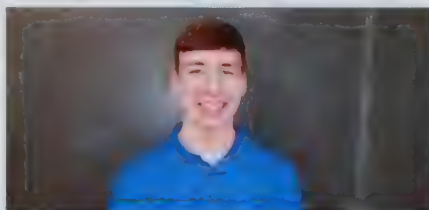

I am obsessed with the smell of gasoline

What can you not live without?

Life has many joys and spectacular moments; however, many people have one item or hobby that without it, life is simply unbearable. Here are a few students' necessities.

EmmaLee Adkins (9) I cannot live without all my friends for sure

Andrew Geiger (9) I really enjoy biking and baseball Both are hobbies I cannot live without

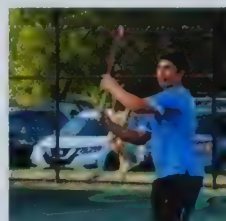

Jessenia Campos (11) I cannot live life without the simple things like arguing and my phone. I also enjoy the TV shows Supernatural and the Office.

Tennis has been a lifelong sport and passion for many people. Told through the eyes of every unique individual on the team, relive the story of the season through their own perspective. Discover all the lessons, ups, downs, and experiences.

SWING SEASON

The story of the tennis season told from many different perspectives.

Michael Loesch (10)

I have always had a passion for origami. It is one of my favorite past time activities.

Jane Stapleford (9)

I have a lot of knowledge of Lord of the Rings and I have been know to binge hours of TV.

William Halt (9)

I really enjoy video announcements. The content and humor is fantastic.

Delaney Dennison (10)

Video announcements are helpful. I enjoy the comedy involved and I always look forward to them..

Rose Kavanaugh (9)

I think video announcements are fascinating. I love The Office theme and how energetic and funny it is.

Taylor Buss (9)

Video announcements are fun and helpful. I enjoy the Vines and bloopers. I like The Office theme as well.

On the Road with Ethos

Ethos is a day trip of discovery!

Creating and learning about brand new robots and their programing, members of the Marian Ethos Team travel to Elkhart once or twice a week to work with these new designs with the help of Coaches Randall and Rutherford. The team also prepares for two tournaments by learning the robot design and working in their engineer notebook. The notebook is filled with parts used for the robot, how the tournaments went, etc. Senior Filip Kosel said that he really enjoys showing younger kids all the exhibits they have.

1. Lining up his forehand, Dominic Marazita (9) waits for his opponent's shot. Marazita started strong saying, "It was a great season, and I enjoyed how everyone was supportive, social, and inclusive. I look forward for more to come." 2. Brushing up against the ball, Max Hall (12) and his partner, William ("Charlie") Graham (11), fight a hard battle against Adams HS on a humid September day. "I really enjoyed the practices and appreciate how much all the coaches taught me and how much better I became as a player and person," said Graham. "We had a short team this year, but many people really stepped up. I am proud of the team this year and enjoyed the experience, but I'm not going to miss nature laps." Hall said. 3. Striking the ball with much power, consistency, and determination, Dustin Greer (11) faces his opponent with fierce intensity. "Even though we had a small team, we all had a strong brotherhood among the team. The amount of trust, laughs, and moments we shared as a team will surely be unforgettable. I look forward to another year of that and improving as a player," said Greer. 4. Concentrating on the point at hand, Luke Potts (11) waits to strike. "I've learned a lot during practices and I have really appreciated how much better I got as a player." 5. Settling his sights on the rally with his opponent, Caleb Suarez (12) anticipates his return. Though his singles game against Adams HS did not end in his favor, Suarez felt he played well. "It definitely stung a little bit, but I'm not going to let the downs of the match overrun the fact that it was a great season for the team and myself with many highlights I won't forget." 6. Focusing on the point at hand, Josh Bussan (12) gets ready to swing in forehand motion to return his opponent's shots. "It was a great season with many memories, and I look forward to seeing what the team does in the future," said Bussan. 7. Staring into the heavens, Jacob Cramer (10) lines up for an overhead while his partner Seth Becker (10) backs him up. "It's been a great season, I've enjoyed getting to know the team and playing great tennis. I look forward to many seasons to come" said Becker.

HOW 'bout DAT, Freshmen?

What do you think
of Marian so far?

"So far I have enjoyed the Swamp Stomp, Latin club, and Science Olympiad. I have also enjoyed all my teachers, especially Mr. A and Mr. duToit."

Thomas Holderbaum (9)

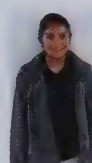

"I have really enjoyed becoming great friends with many people, and I also enjoy how Marian is very community-based and acts like one big family. I also had a blast at football games!"

Ainsley Kosek (9)

"My favorite things about Marian so far are the friendliness of the students, Art club with Mrs. Guntz, and health class with Mrs. Bailey."

Nadia Diaz (9)

"The friendliness of the students, my yearbook class with Mrs. Niespodziany, and service day are events that I cherish most about Marian."

Emily Gutierrez (9)

"Marian has helped me a lot in many things. I also enjoy soccer and intro to 3D art with Mrs. Bonewitz. It has been a great 1st year here with a great community."

Eduardo Desantos Guevara (9)

“

“Boys Soccer is my favorite fall sport because it’s a passionate sport, and I like to cheer them on to victory!”

Alexandra Navarro-Torres, 10

”

“Football is my favorite fall sport because it hypes people up.”

Nomsa Andedo, 10

A HOLY^{different} APPROACH

The Holy War isn't just the most important game to all Catholic schools, it's also the most intense event that the students love to attend!!

“Our favorite Holy War game has to be either be basketball or football. The student section and themes are fun, and regardless who wins, we always have a blast.” Emily Winters, 10 Anika Veldman, 10

“My favorite Holy War event has to be football. The games are hype even though this year’s Holy War was rigged.” Benjamin Balderas, 10

ART CLUB GETS GRAPHIC

This fall, the Art Club learned how to apply Special Effects makeup with senior member, Apisara Sunantha. As a service-oriented club, they also have an annual tradition of carving pumpkins and then giving them to the Administration to create a festive environment!

Sophomore Art Club built the smiles on students' faces, grew the tradition of carving pumpkins, and gave them to the Administration to create a festive environment! It was a messy task, we pushed through it and finished cleaning it. Mrs. Gurny reports that “We celebrated our 21st year as an Art Club December 2018, serving the Center for the Homeless by creating ‘Santa’s Workshop’ so that they could celebrate Christmas spirit! Right now we are designing art club T-shirt and silk screening them ourselves. We will have other T-shirts for sale, and all profits go to charity. Art Club also sponsors painting furniture that is donated for our Marian Auction and often will often donate to other charities.”

Yearbook on the road

Who doesn't love field trips? Marian's Yearbook class loves them! Ms. Niespodziany and her eight dedicated Student Publications students took a trip to Indianapolis to IUPUI to attend the Herrf Jones Fall Yearbook Workshop. The class had the opportunity to learn many aspects from yearbook teachers from all over the state on how to make the perfect yearbook! They got to meet other students their age that were yearbook staffers as well. Staffers were able to take home many awesome sample books from other states for inspiration.

Sophomore Vanessa Bautista says, “All the material we learned on this trip was amazing and I am looking forward to next year’s trip and all the stops to Starbucks!”

Kickin' It Up A Notch

Knights go 5-5-2 this season remaining an exciting and dynamic team to watch.

Soccer is a sport full of competition and dedication. This year's team was full of that! They put their all into every game and learned from their mistakes. The seniors now have wonderful memories with all the underclassmen and can leave them with advice and words of motivation to improve for upcoming years. These boys, Varsity and JV, came together to have a good season.

Regardless of the outcomes, they had some major fun that they'll keep with them forever. All soccer players need is a little help, a little hope, and somebody who believes in them. The Marian Family believes in all of these boys!

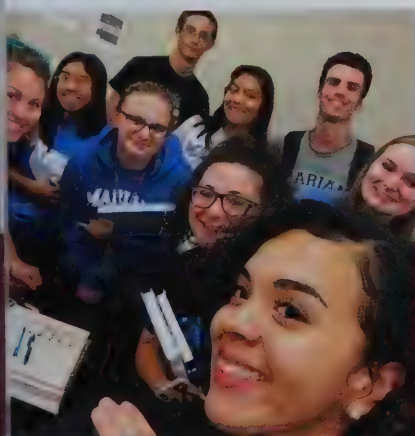

Soccer isn't just a sport to these boys... it's a way of life! Looking ahead to his senior year, Jonathan Wang, 11, says, "Soccer season was tiring but lots of fun. I can't wait for next season and the greatness that awaits."

OCTOBER SENIORS OF THE MONTH

These two dedicated, athletic and smart seniors, Matteus Webb and Rachel Bussan were honored by their selection as seniors of the month. Being chosen is not just a one-time honorable award but an award that they will always remember and talk about when they're older. Matteus Webb is focused on playing soccer, hockey, and excelling in school. Rachel Bussan plays tennis in the spring... These two seniors have had a huge impact and left their mark at Marian!

"It was a tremendous honor and surprise to be awarded the Male Senior of the Month for October. It felt good to be recognized by the Marian community for my character and hard work over the past four years. This award continues to inspire me to live out the virtues that I have been fortunate enough to be granted by my Marian education."
Matteus Webb, 12

Fallin' For Ya'

The Most Commonly Worn Shoes at Marian! Fall Edition.

Fall shoes are a BIG thing in the fall. This is the time to bring out the comfy shoes and blame it on the cold Indiana weather! What is the most commonly worn shoe in the Fall at Marian High School? We gave the student body 7 shoe brands to choose from: Sperry, Ugg, Bear Paws, Timberland, Hunter Boots, Converse/Vans, and Regular Tennis Shoes. The student body at Marian High school decided that Converse/Vans are the most commonly worn in the Fall.

All Hallows Read!

What is your favorite scary book to read?

Xavier Bickel, 9

"I don't have any favorite book in particular, but I am currently reading Eli Wiesel's 'Night' novel."

Augustine Bradley, 10

"I don't have any favorite scary or halloween themed book, but I do like the novel 'Ready Player One.'"

Jordan Tirotta, 11

"I love reading the Goosebumps series!"

Brynne Taylor, 12

"My favorite is the book Halloween Turn."

Jasmine Vazquez, 12

"I love the Haunting of Hill House which is also on Netflix!"

Knights Alive and Kickin'

What's your scariest memory?

Cameron Deranek, 10

When I was 10, I was out trick-or-treating with my friend when a fake dead person jumped out and scared us.

Christopher Foust, 12

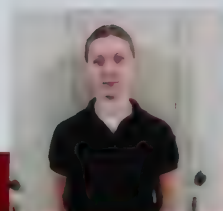

I was scared when I had my surgery and was unsure of whether I would play sports again. The uncertainty is really what scared me.

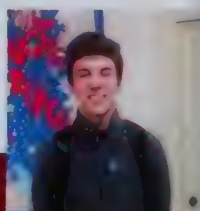

Daniel Berger, 9

One time I was sleeping in my room when the lights suddenly came on when no one was there, and my radio suddenly came on even though it was unplugged!

Costume Party!

Lucy McQueen, 9
My favorite is Midnight Vampire's Halloween costume.

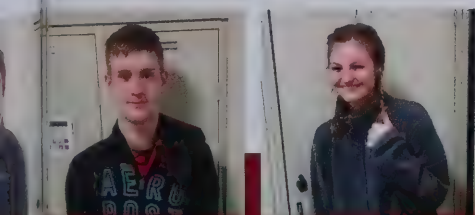

Matthew Early, 10
My favorite Halloween costume is Superman.

Boo!

With a 9-6-2 record, members of the Marian Lady Knights finish another successful season with highlights and memories. It was also the last season for a few including Jessica Veldman and Francis Hartnagel. Jessica would go on to say, "Even though I was injured for half the season, I was still pumped to be a part of the team and an influential leader on the team as a captain. Our team was so close to with no drama which I really appreciated." Francis remembers, "My favorite memory was being with the team during the St. Joe invite, and I'm very glad I started freshman year because I really got to bond with the team. Our best match this year was Plymouth." Freshman Hannah Davis remembers, "My first season was great with supportive upperclassman and a great coach. I'll never forget scoring my first goal of my high school career 20 minutes into the second half of our first home match."

You're never too old to quit playing dress up!

Alexander Fischer, 11
My most favorite
Halloween costume is a
cowboy costume.

Marisa Plagens, 12
A firefighter outfit is my
favorite costume.

These Are The Gh'oul Times

As students celebrated Halloween, these are some of their experiences. Whether it be going out to Trick or Treat or staying in comfy fuzzy socks and a blanket passing out candy, the holiday is fun for everyone.

Cheyang Wang (10): I really like just hanging out and watching Anime.

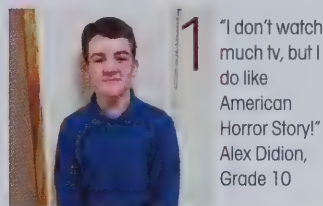

Yumeng Liu (right, 10) with Yi Song (left, 12): I don't really like being scared, but I do like any activity involving candy.

Ricardo Nevarez-Damp (9): I enjoy Halloween parties and Trick or Treating.

Tripping down the river

Science students have all the fun. Biology students have the opportunity to attend the annual canoe trip. After canoeing down the St. Joseph River to St. Patrick's Park, smiles and laughter erupt as people touch, play, and even kiss some fish. "Kissing fishes was definitely weird," says junior Graham Hornbeck, "We were experimental with them and learned about them." "This was a fun trip, we got to look at fish and touch them. I would totally do it again," says junior Chloe Rafinski.

SUCCESS is a SCIENCE

The Indiana Talent Science Search recognizes seniors Margaret Cook, Gracie Molnar, and Filip Kosel in the top 11 participants.

In fact, Filip placed second over all in the state!

Follow this if you can. "So the title of my project was "Neural Activation in Various Cognitive Tests." In my project, I used an EEG cap," recalls Gracie Molnar, "to see what regions of the brain were activated for my participants while they were taking some tests... I analyzed the data to see if there was a significant difference in the results of each person and different stimuli, and there was. This research is supposed to contribute to my mentor's research and goal of trying to create a mobile application that will diagnose neurological conditions, such as Parkinson's Disease and Dementia."

NHS

Being inducted into the National Honor Society is worth the hard work.

Everyone knows that earning membership to National Honor Society is a great academic honor, but it also has a variety of other benefits for the students involved. "It is mostly a way for me to get in there and do some service," says junior John Thomason. "It is good for colleges; I want to do things and also things that are good for me."

Another newly inducted junior, Joshua Whitehead, says the most important thing is that it "gives me a reason to help others more than I already do." Looking ahead to the future, he also acknowledges that it will help him make connections, and it looks good on college applications. "Honestly, the connections area is probably the main reason."

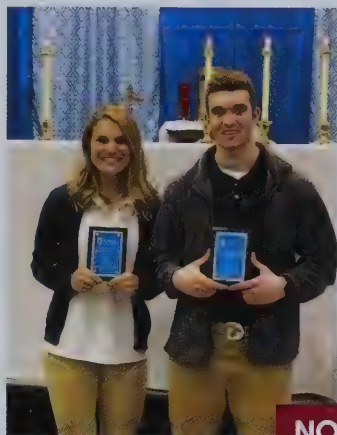

A Novel Idea

A fourth grade dream becomes a reality for junior, Kelly Skwarcan.

The original assignment was a project on something you are passionate about. That's a broad range of things for the average fourth grader. However, Kelly Skwarcan had found that passion after her father showed her an old video on the Titanic. "I was enraptured! I wanted to know anything and everything about it, so I read every book I could get my hands on. I talked almost incessantly about the Titanic to the point where one of my friends in 5th grade laughed and said I should just write a book about it to get it all out! Well, one summer morning, I woke up and made up my mind to do just that!"

Since Kelly began her work, her book has seen numerous revisions getting to the point that a Notre Dame graduate who works for Ave Maria Press has helped her edit, start a social media presence, and submit her work to literary agents. Now, two of the largest Titanic museums in North America are interested buying her book and selling it in their stores. "I'm thrilled that I have the opportunity to share something which I'm profoundly passionate about and am very excited to see what comes next!"

"I was shocked and completely honored... It was definitely an experience like no other! Mrs. Ulrich delivered her speech so uniquely that I had not seen anything like it in my four years at Marian. She revealed one letter of my name at a time with a saying that started with that letter... She is so kind! I also had a bunch of my friends holding the letters which made it extra special. Having the whole school watch you as you receive the award is so special, especially because I had my mom and grandpa there who told me how proud they were of me and made me think, 'Hey, maybe I am doing something right!'"

-Kathryn Verslype

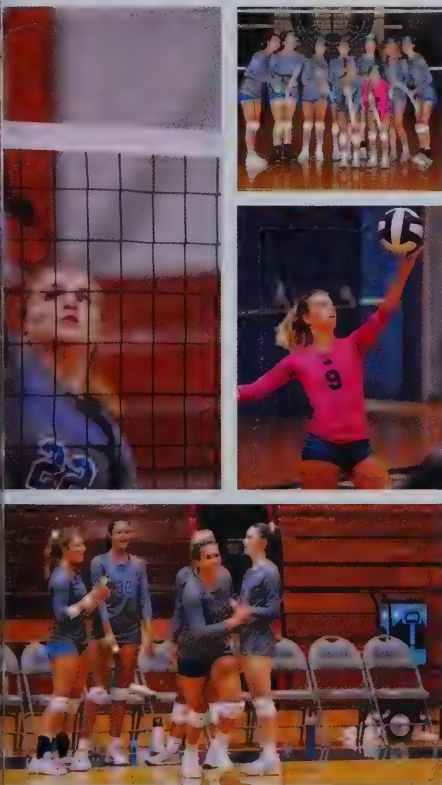

I was speechless when I heard my name announced after Mr. Dainty had a tremendously kind and motivating speech. This was a very proud moment for me and I felt accomplished... However, I was nervous walking up to the stage because if I tripped going up the steps, that would be very embarrassing, especially because it would be in front of the whole school. Luckily, I managed to make it up there safely and "flexed" my Gucci belt on the way up and back to my family. My mom, dad, and sister were all there for this special award which was even better. With my whole family being able to take time out of their busy schedules and be there to support me made the moment even better... I will always be a Knight and will always continue to Learn, Serve, and Lead even when no one is watching.

-Shane O'Brien

NOVEMBER SENIORS OF THE MONTH

SPIKE IT!

Going 25-8-1, signing two to play in college, and smiling the whole way, the Knights nailed this season!

Reflecting on her favorite moment this season, Senior Kathryn Verslype shares that her favorite game was the Northwood game because "Every player played with encouragement and excitement. There was a good cheering crowd, and it was a good win on our home court."

With high hopes for next season, Freshman Avery Sharp feels prepared as a player. Sharp wasn't sure she'd be ready, but she knows now that "All the teams got along really well and we were always helping each other except when we scrimmaged each other because then it was competition."

ALMOST, MAINE Fall Play Showcases Talent

Almost, Maine is play unlike what Marian has seen before. The plot involves nine short love stories that take place at the same place, same day and same time. We also had a new director, Mr. Marlon DeLonis DeLeon, leading the program this year.

Junior cast member Dorothy Hicks (who played Rhonda) said it was "really technical, but it was great" to have him (DeLeon) as a director. Our Student Director, junior Genevieve South said, "It was great! Definitely amazing."

Members of the cast include Noah Majewski, John Thomason, Graham Harding, Matthew Mielke, Benjamin Malinowski, Graham Hornbeck, Michael Loesch, William Singer, Henry Singer, Solomon Letcher, Wiktoria Drapala, Dominic Lovechio, Laura DeNeve, Mark Potts, Olivia Whitaker, Heather Curtis, Courtney Donndelinger., Sarah Oliva, Dorothy Hicks, Apisara Sunantra, Faith Scherpereel, Autimn Leap, Neema Kwangu, and Genevieve South.

Friday Knight Lights

We have made history!! We won four sectional championships in a row. Our football team had an amazing season, even though it did not end how we wanted it to. We are all still very proud of these boys. Our record ended to be 8-5. Since Coach Glon stepped down, Coach Davidson, who was an assistant coach, stepped up and really out did himself with the season. Coach Davidson said, "Stepping in for Coach Glon is a tremendous honor as he has been like a 2nd father to me both professionally and personally over the years. Our first season was a success and one that I'll remember forever because of the family-like atmosphere that the players brought to our team. Obviously winning was fun too (4th sectional championship in a row and Co-Champs of the NIC South), but the kids put in a tremendous amount of work and the family-like atmosphere made the work that much more enjoyable. It was a little more stressful as head coach, and a lot more media, but overall I feel like I adapted pretty well and I also commend the players and other coaches for adapting to the change."

1. Walking to the middle of the field, senior captains Johnathan Brach, Paul Cline, Michael Gibson and fill-in Jalen Hill prepare to flip the coin. Winning and losing this coin toss will determine if we win or lose the game. 2. Losing the game so far, QB and captain, Johnathan Brach giving a pep talk to the offense to try to gain some yards. 3. Tackling Clay's running back, senior Zachary Whitfield dominates the field. Clay's football team has never won against us. 4. Touchdown!! Junior Christian Njuguna running to celebrate his first touchdown of the season. 5. Having trouble with his uniform, Senior and captain, Michael Gibson has a teammate help him, while junior Michael Schnippel just stands by. Getting on the football uniform can be hard with all the pads on.

It Is All About The Memories

Playing 5 different positions on the field and having a passion for the game, senior Johnathan Brach had many great things to say about his final season. Something he will never forget about playing football at Marian is all the little memories and inside jokes you make and the friendships you build because you spend so

much time with your teammates. "As a quarterback you have to spend twice as much time outside of practice on the mental aspect and film study and as captain helping the rest of the team. Luckily I had two great co-captains, Michael Gibson and Paul Cline, that were great leaders too." Advice that he would give to underclassmen would be to always be willing to put in the extra work but more importantly just enjoy every moment of playing.

Powder Puff Football White Wins!

Senior Mary Pfaller the QB and Mya Pereira the running back holding the Trophy for the 4th year in a row!!

Spirit Week!!

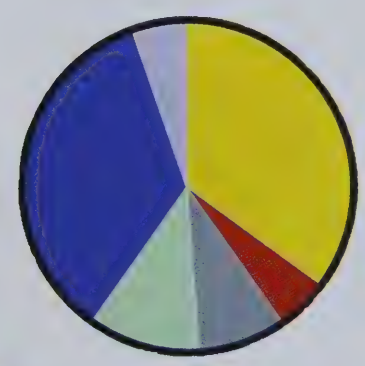

All the fun and clever outfits of the week

1. Juniors Peter Royeca, Claire Thomas, Bridget Meyers, Thomas Egan and Claire Cataldo, had so much time showing off their friendship dressed as characters from the hit show Friends.. 2. Stopping crime in the hall way, Mermaid man, Elizabeth Voor (11), and Barnical Boy, Gracie Molnar (12), saving the day. They have been fans of the show since they were little. 3. Sewing her outfit from scratch, Apisara Sunantra (12) being sassy and sweet for the camera. 4. Wanting to take it back way back to ancient Greece, Mrs. Madison, Mr. Sobieralski, Dr. Metzger, and Ms. Niespodziany wear togas for Thowback Thursday. 5. Yodeling down the hall way, Tianna White (12) recreating the viral twitter character Manson Ramsey.

What Song Best Describes Your Highschool Experience?

This is what we said....

- Young Dumb and Broke- Khalid
- Stressd Out- 21 Pilots
- Happy- Pharrel Williams
- Bad Day- Daniel Powter
- TGIF- Katy Perry
- Pocket Full of Sunshine- Natasha Bedingfield

After the game, coach Joseph Kloska(11) (blue team) and coach Kapafule Lusanga(9) (white team) shaking hands.

At the end of the night, even though there was only one winner, everyone playing came together to celebrate all the money they raised for Hello Gorgeous.

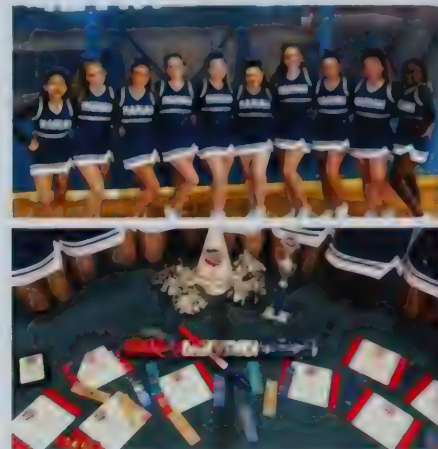

Knights Tackle Childhood Cancer

PS We Love You is a charity that raises money for Riley Children's Hospital for pediatric cancer research. It was brought to Coach Davidson's attention last February at one of their regional coaches meetings. He said, "This means a lot both as a coach, supporting a cause that was originally founded by another football coach from southern Indiana, and as a father. I want the best for my boys and their health and this could help them or some other child or family in need down the road." The Knights ended up raising \$1,432.69.

What An Amazing Homecoming Knight

Homecoming truly was a night to remember. It was especially memorable when two juniors, Alyssa Himschoot, and Graham Harding both varsity cheerleaders won spots on the homecoming court. The cheerleading team has had people on the court in the past but never both the boy nominee and girl nominee! Congratulations to these two amazing cheerleaders.

3.) The cheerleaders energetically lead the crowd at their first game of the season.

Cheering our way to Victory

Summer Cheer Camp

Over the summer, ten cheerleaders went down to the college campus of Indiana State University. They stayed at an overnight cheerleading camp called NCA. They stayed for four days total, where they learned cheers and dances. Some of the cheerleaders had the honor of being nominated for the All-American team. The All-American team is a team of the best cheerleaders in America where the staff members see them excel in one of the following categories: jumps, motions, tumbling, stunting, dance and leadership. On the last day of camp, the team competed for best sideline chant, and the All-American nominees tried out for the All-American team.

Awards

While at NCA camp, the cheerleaders received many different awards. There is one award that is the most important one to all cheerleaders. The Spirit Award. Your goal at camp is to be the most spirited group there, and the one who is the most spirited that day gets a spirit stick. Then on the last day, all of teams vote on who deserves the Spirit Award. In the past, Marian had won it two years in a row. The team was so nervous. "I didn't know what to expect; I wasn't sure if we were going to win" said senior Shannon Haverly. Fortunately, Marian did it again and won the award!

How to have school spirit Step-By-Step

Having school spirit is something our school has personally struggled with in the past. This is a step-by-step of how to have more school spirit!

STEP ONE: Go to the games and support your school.

STEP TWO: Dress the theme! Dress to impress and be extra with the theme.

STEP THREE: Participate! It's the most fun when everyone gets involved!

The best part was seeing everyone grow, in their attitude and confidence.

Seasoned Traveler

Mrs. Madison, a life long globe trotter, didn't miss out of the opportunity to broaden her horizons during Christmas Break. "So over the long break that we had, I went to Guatemala and had a fantastic time. I also spent some time with family and had a nice Christmas." Of course, she would love to go back, but with so many places to go, it must wait.

One memorable part of Mrs. Madison's trip was working on a clean water project. She helped build many filtration units like the one she is holding to the left.

IT HAPPENED LIKE THIS

Mrs. Gunty
What I did over the break was made 1 batch of snowball cookies and spent quality time with family.

Favorite Winter Recollections

Knights always find something to love about wintertime.

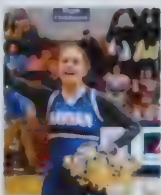

Brynne Taylor, 12

"It means fuzzy socks and hot chocolate. I love to go ice skating with friends and family."

Julia Akre, 12

"It means terror and beauty all at once. I love to sit and watch the snow fall and listen to bands with hot chocolate."

Olivia Walter, 11

"Winter means going sledding or ice skating with friends and family, then getting warm hot cocoa afterwards."

Darlene Povlock, 10.

"Winter means a beautiful scenery. I just sit by the window and drink hot chocolate."

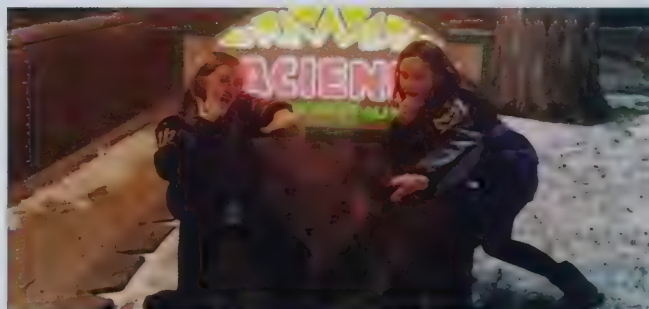

Lucy McQueen, 9

"Winter means that I love being cold. Also, it means drinking hot cocoa while sitting in my cold bedroom enjoying the cold. Also, it means spending quality time with family and friends."

Snow Days

1. Senior Apisara Sunantra went to Chicago and ate Korean food. She said that it was delicious and wants to go back for more!!!!

6. Sophomores Alivia Moyer and Isabella Buysse are hanging out at Hacienda during the winter season

3. Seniors Alexis Hester and Jacob Bishop went to the Blackhawks Hockey game at Notre dame

2. Junior John Thomason went on the Washington D. C. March for Life trip. They did not stay very long due to the bad weather.

Even though Catholic School Week was a bum, the 3 days that we had off sure weren't.

Mrs. Dyer

Half way through her senior year, it finally hit Mya Periera. "This year went bye bye faster than I could even blink. But for real to all you upcoming seniors, when your time comes, enjoy it seriously. Enjoy every single moment because it is really going to be that last basketball game, last football game, last soccer game; it will be your last time around through it all, so live it up! My senior year was a little tough for me and very bittersweet, but I learned a lot of lessons, inside and outside of school. My main piece advice to you all is to really live in the moment of things and take every opportunity that is given to you. Do not be afraid to be the best version of yourself. Be BOLD. Take risks: you never know unless you try; remember that. I am very grateful for the Marian community for helping me throughout these past four years. I will remember everyone as I move forward to the next chapter in my life at Indiana University. Thank you, Marian. Next!!"

just a sport...
But a way of life

**ENDURANCE

**BSU
J-Day**

"Retro, Relevant"
J-Day encourages students
to learn from the past to prepare for the future.

Ball State University, located in Muncie, Indiana, hosted their annual J-Day 2018 workshop this winter. The Marion Journalism and Yearbook classes took a trip to attend this event. They were blessed to be able to learn from different social media experts, journalists, and college professors how to be better writers and broaden their creativity that will help them in their classes. They also got to hear Mary Beth Tinker talk about her groundbreaking Supreme Court Case, Tinker Vs. Des Moines, granting 1st Amendment rights to student journalists. Freshmen class members Nadia Diaz and Emily Gutierrez remember that "The food was really good," and "The excitement everyone had for yearbook was amazing."

The most memorable game for freshmen Brennen Egan was the wrestling game against Culver. This was the best game for Brennen because "This game was a good use for the team." This learning experience for the whole team really showed them not just how good their techniques are but how to support and motivate each other during all the matches. The Marian wrestlers found this game to bring them together as a team and grow from all the things they learned from each other.

Most Memorable Wrestling

Wrestlers come in many different shapes and sizes. Every match is different. Every player is important. The Marian High School 2018-2019 Varsity Wrestling team came together in every match to not just have fun and support each other, but they came to win! The wrestling team this year consisted of seven dedicated varsity players. Andrew Sinkiewics, Brennen Egan, McLaine Pierson, Isau Gonazalez, Tommy Burke, and Sam Singh. They took the risk of being a wrestler and made Marian proud with the effort they put in. They came together not just as a team, community, or classmates but as a family!

What did the boys have to say about the season?

Isau Gonzalez says, "The most memorable dual was the B team tournament at Riley. I got second place in that tournament. Coach Flatt was very cool and always told us to get our school work done because school is the most important thing in our lives right now. Wrestling was a great experience. People think wrestling is stupid, but it's not. We put in a lot of time and effort to make weight and just go one on one with someone who had a lot more experience because the last time I wrestled was in fifth grade. Wrestling was awesome, and a lot more people should come out next season."

JOBS & SPORTS: HOW TO MANAGE!

"During school I was working at Southfield Village. I do my school work during school and go to work after. I'm also a part of the cheer team, but I've been managing it well with my school and work schedule. I'm always stress free, and I go to bed early."

Nancy Gonzalez, 10

"During school I was employed at Dairy Queen. I managed school work and work by doing my work before classes and my job usually affected my sleeping schedule."

Klayton Coleman, 10

"During school I worked at ICCL. It did and didn't affect my school work because I have good time management skill. I keep a positive vibe and go to sleep early."

William Christianson, 10

"I worked at the Black Thorne golf course on the weekends of this school year. I managed school by taking off work when I have track meets when I do work, I make sure to go to bed at a reasonable time."

Benjamin Balderas, 10

SENIORS OF THE MONTH January & February

Four seniors of the month? All recognized at once? Well, like any other school would've done for their school safety, Marian had shut down for some days in regards to the amount of snow that made us miss a Mass which meant we couldn't honor our January seniors of the month. So, we later then honored in February with the February seniors. **Mary Guinan** had said, "I was super duper excited. I really did not see it coming, and I am really honored that I was selected!" Also, **David Bautista-Amick** had stated how he felt by saying, "An empty or broken heart that once was full, is not the end or be all of your life, but just a time and need for healing." These seniors had an impact on Marian in their own way and Marian is proud to recognize them.

Q&A

What makes you the most excited about basketball season?

Trelin Markham, 12
"What makes me excited is to support my brothers that support me during football season."

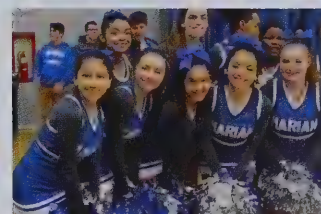

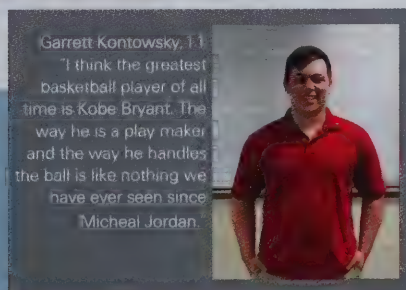

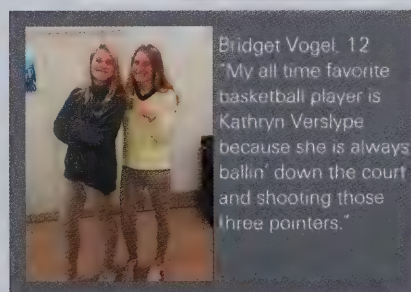

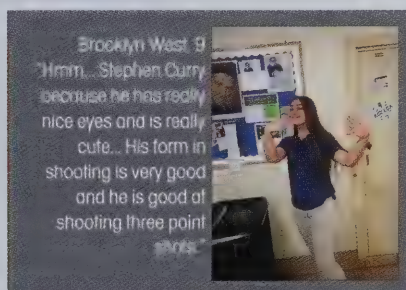

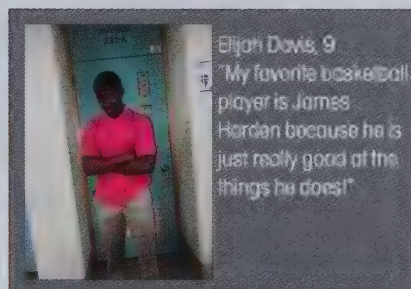

Devin Mathews, 11
"Just going out and watching your school play basketball and hanging out with your friends."

Olivia Salazar, 11
"Cheering for the Saint Joe Holy Wars game, because we all come together as a school."

Who is your favorite basketball player of all time and why?

Basketball never stops.

Basketball is not just a game played between two teams of five players in which goals are scored by throwing a ball through a netted hoop fixed above each end of the court but it is about all the work and time you put in, in order for you and your team to win. These girls worked as a team, through difficult and easy times. Lost and won games. Basketball gathers the Marian community and the students to have a wonderful time. Basketball makes memories that people will never forget about, especially Holy War.

What's your favorite type of weather and why?

Ms. Kaser
Spanish
"My favorite type of weather is when it's low 70s because it's beautiful but not too hot or too cold."

Taylor Schindler
9th Grade
"I like the spring weather with thunderstorms because I love the sound of rain, and it helps me fall asleep."

Genesis Martinez
10th Grade
"My favorite type of weather is a snow day 'cause YOLO and school is fun, but I would rather not go to school."

Best Friends

"We have a great Bond!"

"Best friends since day 1."

Team Bonds

"The bond we have is so much deeper than the game we play."
- Patrick Willis

The End

"Friends are the sunshine of life." - John Hay

"We might be goofy, but we don't mess around."

"We are not just best friends but brothers too."

Q&A

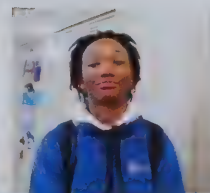

If you got to travel anywhere in the world, where would it be and why?

Lauren Bryant, 11th Grade
"I would travel to Antarctica because I like to do new things."

Caleb Suarez, 12th grade
"I would travel to Asia because I want to see how life is like in Asia."

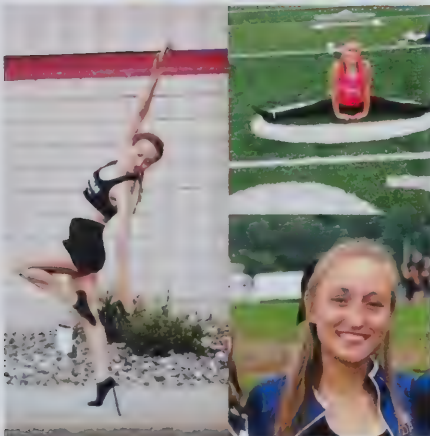

David Stuckey, 9th Grade
"I would travel to Miami because I like the humid and hot summers."

SORRY I MISSED YOUR CALL I WAS DANCING TO THE RING TONE

Heritage of the month :

our heritage of this month is... you guess it, it is IRISH. Did you know that the holiday St. Patrick's day is celebrated for our fallen saint, the patron saint of Ireland who converted Ireland to Christianity in the AD 400. In fact Patrick was not Irish he was British but he is still very important to Ireland. The color of St. Patrick was originally blue but due to Ireland's nickname it was later on changed to green.

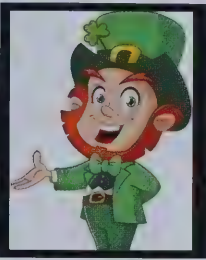

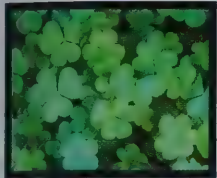

It's more than just the music...

"What drew my attention to dance was the fact that the sport was all about family and encouraging each other. I love helping others achieve their goals, and I was able to do that through dance."

Stefani McQueen
Grade 12

"I speak to everyone in the same way, whether he is the garbage man or the president of the university."

- Albert Einstein

SENIORS

Of The Month

Sarah Majewski and Cody Mowers have been chosen this month not by random but by bringing joy to their teachers, sharing a laugh with them, always asking and being sure what exactly was going on. These students were chosen by choice because they have made a impact on their school life not just academically but spiritually.

Women's

History Month

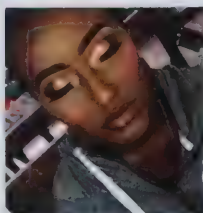

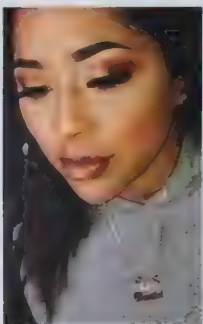

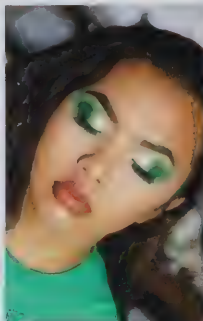

Women's history month approximately starts on March 1st and runs until March 31st. "Women's History Week" begins on March 7th, and it is a way to honor and recognize significant women in the past.

Former First Lady, Betty Ford, had suffered from breast cancer and later on raised public awareness of screening and treatment options that ultimately saved the lives of countless Americans.

An exhibit at the Smithsonian called Votes For Women: A Portrait Of Persistence was founded by historians Kate Lemay and Martha S. Jones. They wanted to "shed light on the racial struggles of the suffrage movement and how African American women, often excluded by white women from the main suffrage organizations, organized for citizenship rights (including the right to vote)." African American contributors to the movement including Sarah Remond, who had filed one of the lawsuits protesting race segregation which then became a huge deal; Ida B. Wells, who advocated for federal laws against lynching; and Mary Church Terrell, started the National Association of Colored Women.

Will you be next to make a change in our community? What will it be?

Women can do just about anything just put your mind to it.

be bold. be beautiful. EXPRESS YOURSELF.

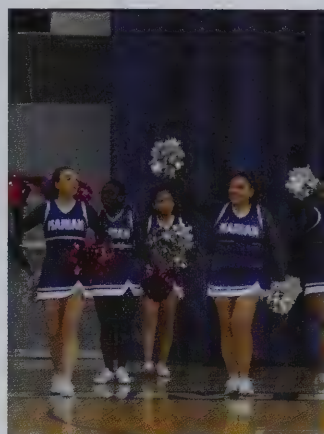

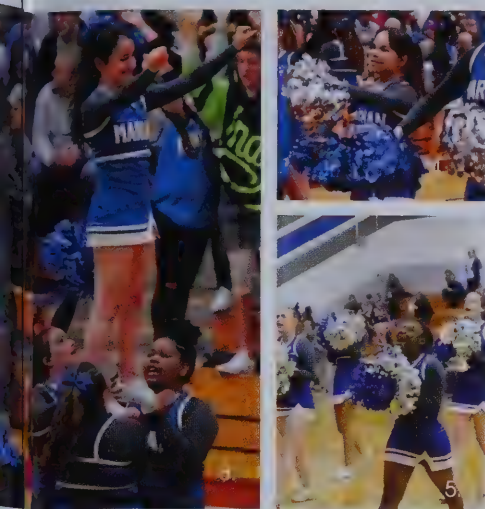

Expressing yourself is very important to most high school students. We need to stick out among the crowd and be ourselves. For junior Laresa Markham, (top picture) this is not too hard. Markham expresses herself with her gorgeous makeup application skills. Her ability with the brush is transformative. She also does other girls' makeup for Prom, Midwinter and various other special occasions.

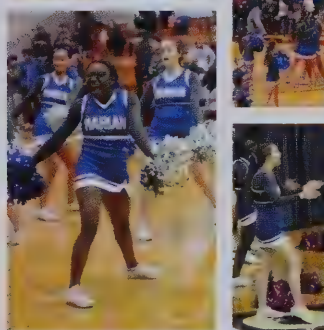

Stepping Out of Their Lane

Members of the Bowling team prepared Christmas gifts for homeless veterans in our community. The boys and their coaches hand delivered these gifts to those who served at the Millers Veteran Center, thanking them for their great sacrifices so that we can enjoy the holidays at home with our families.

- 1.) At the end of school song, the squad hits a pose and smiles at the crowd.
- 2.) During a free throw for the opposing team, the squad claps their hands together while stomping to create a distraction.
- 3.) A thirty second time out was called, and the girls quickly throw up a half to cheer to the crowd.
- 4.) On the sidelines, cheerleader Heather Curtis cheers along to the crowd.
- 5.) The squad gets the crowd hyped up for the start of the second half of the boys varsity basketball game.
- 6.) Sophomore Mercedes Cuevas is thrown up into a half to get the crowd on their feet!
- 7.) Senior member, Shannon Haverty, leads the way with experience and expertise.

Real Life Olympians

The Science Olympiad Team excels on the local level. Their success leads them to the State competition in Bloomington later in the spring. Many of the participants are also involved in the plethora of science-related clubs and activities also happening lately. Members including Emily Tinervia, Minji Yun, and John Thomason are also working on Science Fair, Robotics, and attending seminars at Notre Dame.

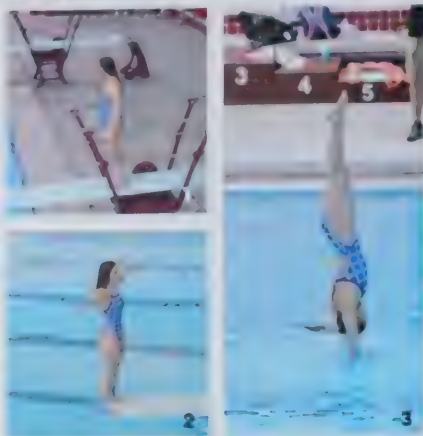

Heaping the Honors

The Art Department did it again! Under the excellent instruction of Mrs. Gunty and Mrs. Bonewitz, Knights swept the field at the Scholastic Art Competition. Winning a total of 113 awards, many students were honored at the awards ceremony this February at the Century Center in Downron South Bend. 22 students won Gold Key awards and are advancing to the national competition!

Diving Right In

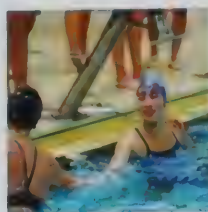

There is **no** room for **fear** in the diving well

1. Competing at the Mishawaka Diving Invitation, first year senior member, Sarah Lai prepares for a forward dive. "I felt nervous. Everyone's watching you." Participating in a new sport, she realized, "I learned something new and to be more confident."

Getting the somersault all the way around was really exciting. Or the inboard, I was really proud of that." 2. Steadying herself for a back dive, first year member, Claire Thomas relies on her training as a gymnast to transition flawlessly into the sport of diving. Her connection was deepened when she experienced competing: "It was really cool that the diving coaches from other schools were helpful."

The friendships she made with divers from other schools based on the sport were also supportive and encouraging. 3. Performing an inward dive in pike position, veteran senior, Apisara Sunantra executes perfect form on her entry. "This year was more challenging and more fun because I already knew how to dive, so I had to learn new dives and the new approach." Having been on the team for three years, she also understood the leadership that senior members possess and how important flexibility is. "Being a senior was good because you get to make the team better and teach the new junior people. Not having an official diving coach was fun because Niespo had to coach us."

One in Faith

Confirmation brings us together

Senior Arnel Iradukunda made the commitment to the Catholic faith and was confirmed by Bishop Rhodes at his annual visit and Mass. Among the many joyous moments throughout the day, watching Arnel be confirmed was definitely a high point. At the beginning of the school year, he addressed the whole student body at the first all school Mass. He mentioned how great the love for one another is at Marian. Surely, he feels that same love again!

Boys break school record for 200 Medley Relay

Keeping with the feeling, Filip Kosel also broke his previous year's records in the 50 Free (landing him on the podium in 3rd place) and the 100 Fly. Though the boys couldn't get the final 400 Free Relay of the meet, they left the pool feeling proud of a season well swam.

- 1 Coach P.A. and William Singer getting the extra reps at dryland on Wednesdays.
- 2 Coach Niespo falling the pool teaching EmmaLee Adkins how to do a start off the block.
- 3 Coach Gavin shouting "Get iiiiiiiinnnnn!!!" at the beginning of every single practice.
- 4 Putting Maximilian Christianson completely inside a stretched out swim cap.
- 5 Andrew "B Nasty" Berzai being a non-stop practice machine... Record breaker, here he comes!
- 6 All of the nicknames and weird inside jokes that get yelled across the pool and the school hallways.
- 7 Swimmer Cookies and Water Waldo hats from Coach Niespo's mother.
- 8 David Bautista-Amick's triumphant return to the pool senior year and his amazing cheering abilities.
- 9 Foot cramps and hypothermia exclusively suffered by Narusawa Desmarais.
- 10 Being a close-knit family of soggy, silly, starving fish who would really rather take a nap but keep on swimming anyway!

Though students cannot attend the Auction as guests, they can still be involved and help the school raise money and spirit during the Marian Madness competition. Students sell raffle tickets for the grand prize at the auction as individuals and in their 3rd hour classes for prizes and parties. At every level of sales success, there is reason to celebrate. Students enjoy a dessert buffet and games in the BCAC during lunch time for their hard work selling tickets to keep Marian running strong.

Being "Picked Last in Gym Class" is a blessing to the members of the Robotics Team; it gives them more time to battle and display their mechanical prowess at area competitions. The team won 3rd place!

Spirit Night is so much fun. I don't regret it at all, and I will always remember doing it with my friends.

Maria Bennett, 10

"It was more fun to be in the dance this year because you get to hang out with your friends and joke around instead of sit in the stands with your parents."

"My proudest moment is when I had a mental breakdown because of a test."

Girl's Track

Work hard in silence. Let your success make all the noise.

Track is a sport where there is competition and teamwork. This year's girls track team is full of competition and teamwork. They all worked together to become better runners. They cheered on to each other to be able to finish the race. They never looked down. They looked up even if they are last place. Track is a sport that brings all families and friends together in one place.

Strive for progress not perfection.

"Something that I really enjoyed about track is the connections we have between each other."
Alyssa Harris, 9

... but at least the freshmen tried!

Nadia Diaz
Grade 9
"My proudest moment is when I finally get to go home and eat."

April Seniors of the Month

Seth Hine and Marisa Plagens receive the honors this month. On Twitter, previous honoree David Bautista-Amick states: "These are the most inspiring seniors; how they leave the problems they have behind them when approaching a person or being around one. I only wish I could be so amazing as them."

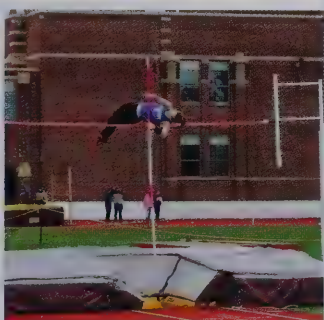

Track History

What is the history of track and field?

The ancient Olympic Games began in the year 776 BC, when Koroibos, a cook from the nearby city of Elis, won the stadium race, a foot race 600 feet long. According to some literary traditions, this was the only athletic event of the games for the first 13 Olympic festivals. From 776 BC, the games were held in Olympia every four years for almost twelve centuries.

In 1849, the Royal Military Academy at Sandhurst held the first organized track and field meet of modern times. The first English championship was held by the first amateur athletics club, The competition was held for men only.

www.timeoast.com/timelines/history-of-track-and-field

Even if they got last place, they never stopped believing in themselves. The girls kept each other motivated during the easy races and even the hard races. Track brought all the girls together as one team, as one family. Their bond is so tight and close that no one can come between them and destroy their bond. Track taught them a lot of lessons including trying hard

Taking it easy won't take you anywhere.

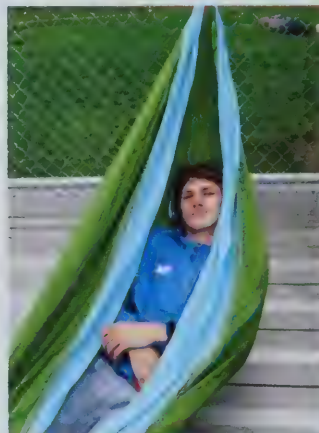

"I really enjoyed the competition between the track runners and even though people lost we still cheered on for each other."

- Adrienne Weyers, 9

Always on Track

By this time of year, we usually do not think about taking on many new challenges. For the Boys Track and Field team though, this time of year is all about the finish line... at the end of race, of course.

Open House

Helping out in Ms. Bonewitz's room during the Open House, seniors Jasmine Vazquez, Sandra Alvarez, and McKenna Miller work on ceramics. Mrs. Bonewitz is their favorite teacher and her class is their favorite.

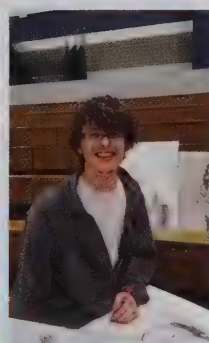

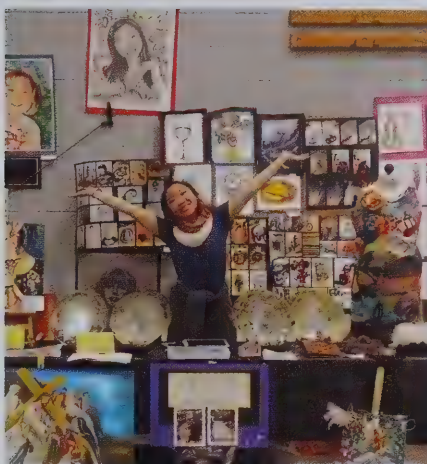

Artisticly Inclined

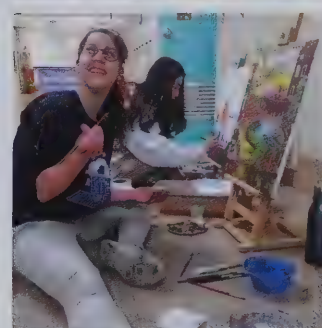

We know our art teachers are totally amazing, and to prove it, Mrs. Bonewitz received the Excellence in Teaching Recognition and Mrs. Gunty received the prestigious Ann Hamilton Award for Inspired Teaching during the Scholastic Art Competition.

Fine Arts Festival *a celebration of talent*

This year marked Mrs. Gunty's final run of the Fine Arts Festival. As she prepares to retire, her students purged her classroom of all of their projects creating some of the largest personal exhibits of artwork. This year's event featured Apisara Sunantra's prolific portfolio, postcards and prints for sale by Lydia Fell, and emerging modern-styled art by Minji Yun and Alyssa Webb. Though Mrs. Gunty will be missed in retirement, her teaching legacy will live on in her students forever!

The Bishop D'Arcy Joy of Teaching Award

This year's grant winner was Mr. Davidson. He received the grant during the Grandparent's Day prayer service. His grant proposal was to increase athletic performance and student health by purchasing a digital weight lighting program called PLT4M. All coaches and teams at Marian are welcome to use the program to better their teams.

SENIORITIS

the struggle is real
Survivors share

Jonathan Magallon
"Senioritis made me not want to do anything at all. I procrastinated, but a little procrastination is normal."

Swinging into Spring

In the spring, nature comes alive again clearing the snow for a new season of Girls Tennis. It was many girl's last season such as Evelyn Cressy, Rachel Bussan, Mary Guinan, Emma DiTommasso, Alia Olan, and Elena Krizman. For many, it was a brand new season while it was others first year as a lady knight. The season was both hot and cold as the girls fought through both cold and overcast days and hot and sunny days.

Regardless, the girls battled their way through the season and even finished with a run to the sectional championship!

Senior Prank Day!

The day started with balloons and watermelons laying everywhere. This resulted in a locker search of every senior for watermelons, which ironically was a side dish at next day's Senior Breakfast. The fun did not stop there with "Nap Time!" being yelled in the hallway after second period, and all the seniors laying down with blankets and pillows. Later on, a bouncy house was ordered at lunch, which was unfortunately taken down quickly. Even water gun fights broke out occasionally in the school. The day continued with traffic regulation in the walk-troubled freshman hallway with seniors blowing whistles and in traffic officer uniforms. Senior Joseph Macheca even sent out a false email during period 7/8 about 'releasing the cows.' This resulted in Principal Kirzeder sending out the meme, "UDDERLY AMOOSING!"

"Senioritis made me not come here many days. I was just done with school and did not want to be here."

Musically Inclined

The Marian theater is back in action with the production of this year's spring musical "Into the Woods." For some, it was their last production with seniors William Singer and Megan Moretti graduating in May.

"I love being a part of stage crew...the cast and crew pour their hearts and souls out to make a good production. There is no where else I would rather spend my time. We will miss Bill and Megan, but they will live on through the stellar work they have done for us," says junior Graham Harding.

"My favorite part of being in the spring musical was getting to see everyone grow into their character fully!" says sophomore Jennifer Neff.

BAND of GOLD

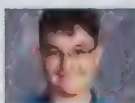

Spirit Night Captains

Senior John Brach was the captain of the winning team which was the blue team. Senior Jeff Murphy did a great job as captain of the runner up squad which was the white team. Senior Rue Desmarais was in charge of taking photos which turned out to be killer photos. Local newscaster Angelo DiCarlo presided over events.

HOW 'bout DAT?

What did you think of Spirit Night?

"This was my first time going to Spirit Night, but I am so glad that I went because it was tricking lit, I say. I had so much fun yelling and screaming and hanging out with the best people."

David Bautista-Amick, 12

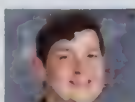

"I thought Spirit Night was fun. It was also my first time going to Spirit Night which is a bummer since it is my last year for every thing. If I could go again, I would most certainly go again."

Emily Longines, 12

"I thought Spirit Night was super fun. It was my first time going, and I really enjoyed it. The dances were amazing, and I had lots of laughs. I can't wait for next year!!!"

Courtney Donndelinger, 9

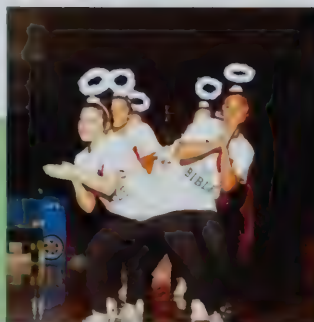

"I was the dance captain for the blue team dance, and I had a lot of fun helping out and making friendships. I also became friends with some people from the white team. I wouldn't trade that experience for the world."

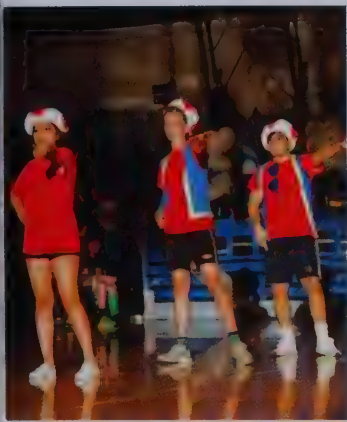

Graham Harding, 11

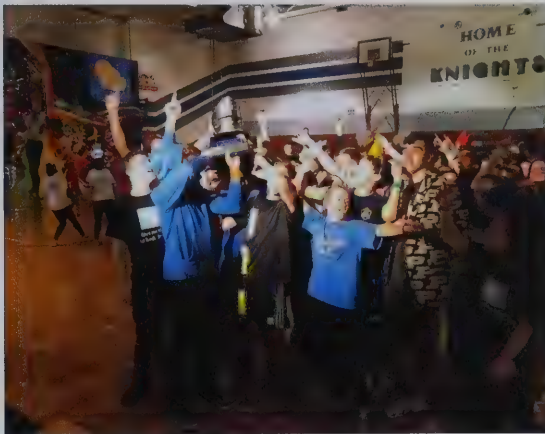

"I thought that it was fun and I had a good time with my friends. I would most definitely come back next year."

Darlene Povlock, 10

Stay Awhile

Prom 2019

The St. Joe Farm

Usually prom is a celebration of spring time and only a few more weeks of school, but not this year. With freezing temperatures, a few inches of snow on the ground and an early date of April 29, this was a prom unlike any other!

The event was held for the first time at the St. Joseph Farm, the property of the Blum family. Ms. Niespodziany and the Junior Class Officers selected the theme "Stay Awhile" to inspire the rustic feeling of sitting on the porch in the sunset and the inevitable farewells seniors would be sharing in just a few more weeks. The colors, navy blue and rose, gave the barn a trendy but comfortable feel. Mason jars, blush flowers, and twinkle lights filled the room.

Prom Royalty King & Queen Nick & Maggie

In a landslide victory, long-time couple Nicholas Kaser and Maggie Pfaller were crowned King and Queen of the 2019 Prom. They were thrilled and honored by the result. Ms. Niespodziany, the prom sponsor, said, "I love everything about Prom, but announcing the king and queen is always hard. I'm super hyped Nick and Maggie won! They're a deserving couple. But I hate seeing the disappointment on others' faces when they didn't get it."

The meal, catered by Cafe Navarre, was a show stopper for many. Comments like "The lasagna is amazing!" and "Wow, those potatoes!" echoed through the buffet line. And the doughnut bar? Yes!!! A dessert success! The favors were mason jar glasses complete with pink lemonade mix and paper straws to enjoy later. Despite the snow that had to be shoveled away and the heat being pumped in, the room swelled with the feeling of a warm summer night on the farm.

We all enjoyed just being able to stay awhile.

May Seniors of the Month

No one was surprised when Caleb Suarez and Catherine Cataldo were called to the stage at Mass to receive the Senior of the Month award. Caleb's genuine humility and care for all of his schoolmates and Catherine's positivity and spirit made them excellent recipients for the last award of the year. It is true- we always save the best for last!

In With The New Coach John Whitaker

Marian's former softball coach retired and the team was in need of a replacement. Coach John saw the opportunity to step up and go for it. John was one of the assistants last year so most of the girls were comfortable with him. He even has a daughter (Olivia Whitaker) on the team. He was familiar with Marian sports because he is already the freshman boys basketball coach. Here is what some of the girls said about him: "Coach John is a good teacher and did well as his first year coach." - Margaret Egan 10 "Coach John is an amazing encourager and believes in every single one of his players! He pushed us to keep improving everyday!" - Kathryn Verstype 12 "Coach John had a great first season as head coach. We are a young team, so we had to do lots of work to do. All winter from all the tee work and soft toss, he made us into better ballplayers all around. We had a slow start to the season, but because of him, we were able to turn it around" - Anna Gruber 11

SOFTBALL

What's the most challenging task as a senior?

"The challenge is having a relationship with all your friends and then now we have to say goodbye."

Apisara Sunantra

"Balancing school and also working on your future including college."

Carlondrea Petty

"Trying to stay focused throughout the whole year because you are just so excited to get out of school and get out of Marian."

Emma Eversole

"It would have to be balancing the workload with extra curricular with college applications and filling out scholarships and realizing that you aren't going to see these people that you have spent the last four years with anymore once you leave."

TACKLE LIKE A GIRL

With similar rules to soccer and football, Rugby is a growing sport for women... a contact sport proving that girls can tackle, too!

Vanessa Bauhista has been playing Rugby for two years now on her high school rugby team.

"Girls can do anything a boy can." "Being a part of this team has taught me to be strong and trust on my teammates and gave me some of the best friends," says Vanessa Bauhista. 10

LACROSSE OUTPLAY! OUTWORK! OUTLAST!

"Lax is an exciting sport, even though we got cheated out of playoffs."
Kapafule Lusanga, 9

"Rugby season was really fun. We missed the playoffs because of injuries and a lack of players, but we have a chance to win state cup."
Lawrence Daher, 10

"Being on of the top scorers as a freshmen and being the leader of the team is one of the best accomplishments I set this season. One of the best memories I have is throwing a kid in the dirt during the Warsaw game."
Gabriel Kerr, 9

MARIAN BOYS RUGBY

The Legacy Goes On

Marian Legacy families gather for prayer and celebration at St. Matt's Cathedral for the Baccalaureate Mass with Bishop Rhodes.

A Bittersweet Morning

Fond memories and smiles through tears swirled through the cafeteria on Friday morning as the seniors celebrated their last few days together under one roof.

The most common refrain?

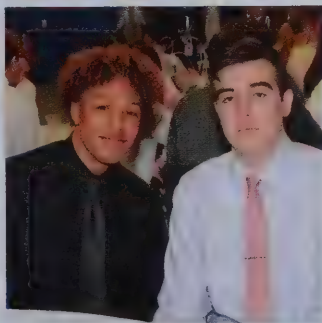

"I can't believe it's over."

We know this is just one step among many, and though it may be hard to believe, we know that once a knight, always a knight. It's a lasting distinction.

My plans for after high school are...
Be a great author! Look for my name on the shelves in a few years, kids! ;)

My advice for freshmen is...
when making visions, think about whether or not you will regret doing or not doing something in your life. Be safe but have fun and live.

I will never forget when...
Me and Hanna Brenner had a two person book club that met up every lunch break in the hallway.

My advice for freshmen is...
Live it up, but don't get caught!

I confess that...
I don't know how I made it through high school!

My plans for after high school are...
to sleep in.

My advice for freshmen is...
do not skip school.

The most important thing I learned was...
to not skip school.

I am inspired by...
those who don't skip school.

I will never forget when...
I fell in the classroom over
my own backpack and
tipped the desk over.

If I were principal for a
day...
I would let us have field
day.

My plans for after high
school are...
to go to IUSB or Bethel
and get a degree in
teaching.

My plans for after high
school are...
marry Pamela Anderson.

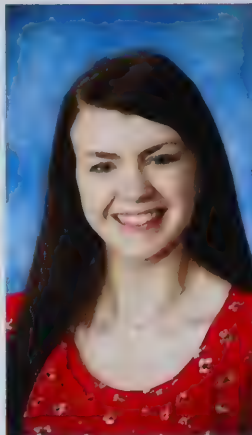

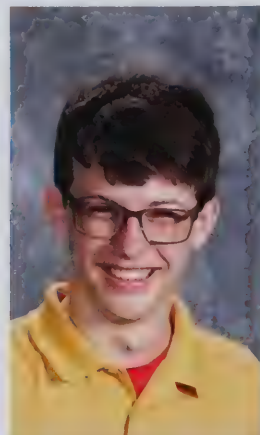

My freshman year was
the best because...
I discovered the greatest
movie of all time, Borat.

If I were principal for a
day...
I'd have a chair, king of
the castle, king of the
castle.

I will never forget when...
We won state in soccer.

If I were principal for a
day...
I would steal everyone's
pbj's at lunch.

My plans for after high
school are...
Join the military or attend
Holy Cross college. I don't
know. 'Merica.

The most important thing I
learned was...
That every little thing you
say or do is important so
always be positive.

Lemme just say...
Ahhhhhhhhhhhh have a
good day Knights!

My advice for freshmen
is...
Focus on the teachers.
Only take classes with
good teachers.

The most important thing I
learned was...
Reading on your own
teaches better than any
teacher ever will.

Lemme just say...
A well regulated Militia,
being necessary to the
security of a free State,
the right of the people to
keep and bear Arms, shall
not be infringed.

My plans for after high
school are...
go to Saint Mary's
College to study Biology.

I will never forget when...
I dyed my blonde hair
dark in the middle of
junior year.

I am most grateful for...
All the friends I have
made, but especially
Shannon!

I will never forget when...
I tripped going up the
stairs!

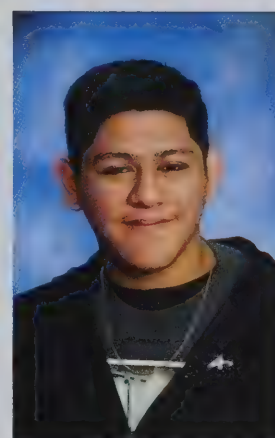

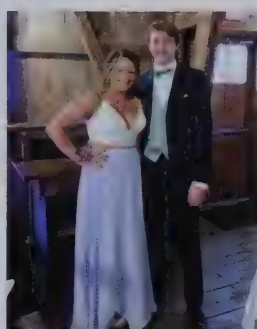

I confess that...
I've slept in all of my
classes at least once.

My plans for after high
school are...
To dual major in German
and Elementary
Education, with a
concentration in ESL.

I will never forget when...
I opened the garage door
during gym class.

If I were principal for a
day...
I'd let everyone walk on the
gym floor after 3:00 PM.

The most important thing I
learned was...
How to concealed carry my
iPhone.

I am inspired by...
David Bautista and Caleb
Suarez. Their attitudes are
amazing, and I try to strive
for that everyday.

My plans for after high
school are...
Get a wife. Have some kids.
Grow a beard. In that order.

I am inspired by...
Mrs. Hamman's feelings
towards Donald Trump.

My senior year was the
best because...
I got away with wearing
Crocs for two weeks.

Lemme just say...
You can't feel safe if you
don't feel safe.

My advice for freshmen
is...
Don't forget there's a
seating chart for every
game. :)

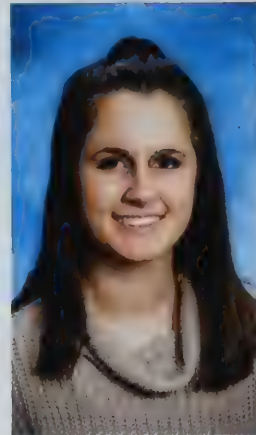

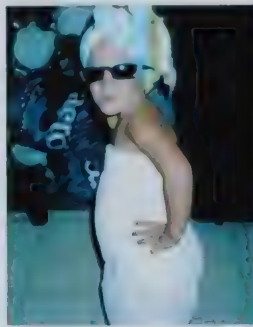

I am inspired by...
People who go to bed
early.

Lemme just say...
Make the best of your
high school years!!!

My plans for after high

Lemme just say...
That these four years will
fly. Make the wildest
memories ever because
these are the stories you
will tell your kids.

I am happy to see...
When people cut their
peanut butter and jelly
sandwiches into triangles.

I will never forget when...
I tripped Jennifer Lopez in
the hallway, and she
actually fell.

Megan

wandering the halls than I
did in class.

I'm inspired by
Julie Cataldo—future
Marine.

My advice for freshmen
is...
Branch out and don't be
afraid to reveal what your
passionate about and
your hobbies. Chances
are someone will share a
similar interest, and you'll
immediately click.

My plans for after high
school are...
I want to become an

I am most grateful for...
My family and my friends.

I am inspired by...
All of my teachers and my
parents.

My senior year was the
best because...
It brought me closer with
all of my friends, and all of
my teachers have helped
my through the stressful
times.

I will never forget when...
I threw my first season
goal in discus and scored
points in the sectionals in
track and field.

If I were principal for a
day...
I would give the students
a half day every Friday,
because man, we all
need that sometimes.

Lemme just say...

So Proud of you and all your accomplishments. You are beautiful inside and out. I know the future holds big things for you. Love you oodles and oodles Mackadoodle!

Alexia Nicole Alvarado

This journey has not been easy but you have worked hard and made us extremely proud!

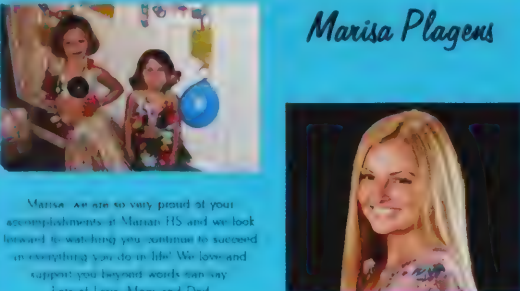

Your smile and beauty shines bright but your heart shines brighter.

May God bless you forever our sweet Lexi

Love Mom & Dad

Marisa Plagens

Marisa, we are so very proud of your accomplishments at Marian HS and we look forward to watching you continue to succeed in everything you do in life! We love and support you beyond words now and forever. Lots of Love, Mom and Dad

Sarah Majewski

Sarah, we are so proud of the woman you have become! You are such a blessing! We know you will accomplish anything you set your mind to. And when you get the chance to sit it out or dance, Dance! We love you to the moon and back! Love, Mom and Dad

Congratulations, Seniors!

Max Hall

I may not carry you now in my arms, but I will always carry you in my heart. You have given me so many reasons to be proud of you; the proudest moment for me is telling others that you are my son. I love you now and forever, Mom.

Caleb Suarez

From a boy to a man. We couldn't be more proud of you. Love you Mom and Catalina

Margaret Solomon

The best and most beautiful things in the world cannot be seen or even touched. They must be felt within the heart!

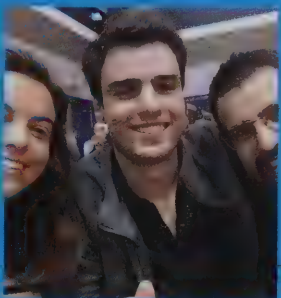

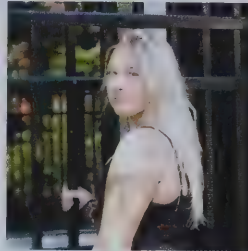

— Helen Keller

Caleb A. Suárez

You have given us so much to be proud of the way you have become.

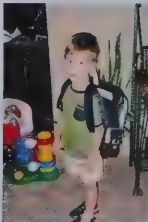

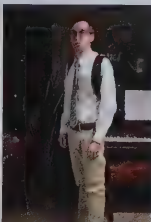

Congratulations on this most special day.

We Love You with All Our Hearts!
Dad, Leah, Catalina, Rafael,
Mary

Emma Eversole
Congratulations Emma! We love you!
Mom, Dad, and Elizabeth

Bill Singer

So much fun watching you become the incredible person you are today! Can't wait to see what the future holds!
Love, Mom, Dad, Madison, and Henry

Megan Amos Christianson
Have no anxiety at all, but in everything, by prayer and petition, with thanksgiving, make your requests known to God. Then the peace of God that surpasses all understanding will guard your hearts and minds in Christ Jesus.
Philippians 4:6-7

You are so loved!

Mikey Gibson

We are so proud of all you've accomplished and can't wait to see what the next chapter in your bright future holds! Boiler Up Hammer Down! We love you!
Mom & Dad

Michael Sobieralski
We are proud of the person you have become and excited to see your future unfold!
Love, Dad, Mom, Annie & Finnegan

Kathryn Verslype

We are so proud of all of your accomplishments and can't wait to see what your next adventure at Ball State University brings!

But if I had placed the parts in the body, every part of them, just as he wanted them to be... if they were all one part, where would the body be? As it is, there are many parts, call one body - but God has put the parts together, giving greater honor to the parts that lacked it, so that there should be no division in the body, but that its parts should have equal concern for each other... if one part suffers, every part suffers with it; if one part is honored, every part rejoices with it.

Now you are the body of Christ, and each one of you is a part of it. And God has placed in the church first of all apostles, second prophets, third teachers, then helpers, then gifts of healing, of helping, of guidance, and of different kinds of tongues. Are all apostles? Are all prophets? Are all teachers? Do all work miracles? Do all have gifts of healing? Do all speak in tongues? Do all interpret? Now eagerly desire the greater gifts.

1 Corinthians 12

COLOPHON

The yearbook class, Student Publications, is responsible for the production of this yearbook. The Madrigal. Student Publications is advised by Ms. Micah Niespodziany. The 2018-2019 staff members are Vanessa Bautista, Hailee Benedict-Creager, Emma DeHart, Nadia Diaz, Gabriella Gallegos, Emily Gutierrez, Thomas Holderbaum, Ainsley Kosek, Maggie Pfaller, Caleb

Suarez and Taylor Schindler. The staff uses the Herff Jones eDesign program to design the book. The cover is a suede lamination with UV gloss. This year, an embossed Marian logo debuts on the back cover. This book has 160 pages printed in full four color ink. All text uses the Avalon font family. Professional photography is provided by Prestige Portraits and LifeTouch. Photos are

also taken by members of the Marian community and The Madrigal Staff. This book costs \$55. Student Publications is a year-long course that receives fine arts credit. Students may repeat the class for additional credit. The class attended two workshops, fall and spring, this year to learn additional skills for the execution of an excellent book. Please enjoy it forever.
